Natura Your Office

The winner of the *Natura Your Office* sweepstakes was South Shore Women's Health of Whitman. Artisan Painting & Decorating was awarded the job which consisted of five examination rooms.

Late Night with Jimmy Fallon

In December we received a wallpaper order from the Late Night with Jimmy Fallon show! The wallpaper was used in a skit with James Earl Jones which aired the week of Christmas.

Jordan's Furniture

Over the holidays, The Enchanted Village at Jordan's Furniture featured wallpaper in the room sets in which they purchased from Factory Paint.

New Product: Exact Color Sealant

Everything you need to create your own custom color caulk! Use with any latex paint including metallic paint and textured paint. For both interior and exterior applications. It provides a watertight seal.

Redesigned Color Capture 2.7

Color Capture® iPhone app 2.5 is now the new and improved visually enhanced Benjamin Moore® Color Capture 2.7. Users now have the ability to share their inspired images on Facebook, Twitter and email. With a tap of the screen, snap a picture of any color inspiration, anywhere in the world, and instantly match it to one of the more than 3,300 hues that comprise Benjamin Moore's color system. Users can save favorites for instant color coordination.

Price Increase

Paint prices are on the rise again. There were two in 2010 and another coming shortly. We have tried to absorb these costs with our customers in mind, but will need to adjust again shortly. Please talk to any of our paint managers or contact Kevin Mooney if you have questions.
